DELF-DALF for the general public

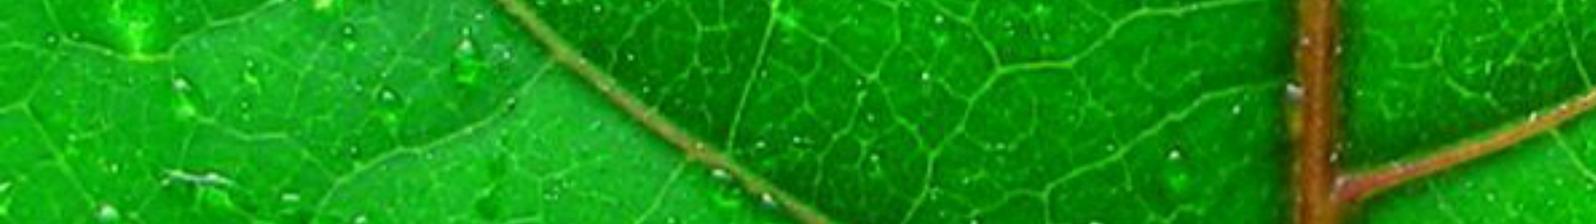

The DELF (Diplôme d'études en langue française) and DALF (Diplôme approfondi de langue française) diplomas are official diplomas issued by the French Ministry of Education.

These diplomas validate proficiency in the French language:

DELF A1, DELF A2, DELF B1 and DELF B2
DALF C1 and DALF C2

They are required, for example, to :

- * certify proficiency in the French language for a residence permit or application for French nationality
- * find a job

* enter a French university or grande école

...
