Teaching Objective

To provide the linguistic and cultural training that will help students adapt to life at and outside university.

Content

Teaching focuses on general French, i.e. the language of communication, both oral and written, and university methodology in French.

Students are divided into groups of the same level, which are determined by the test that students take at the beginning of the semester. The levels follow the Common European Framework of Reference for Languages (CEFR).

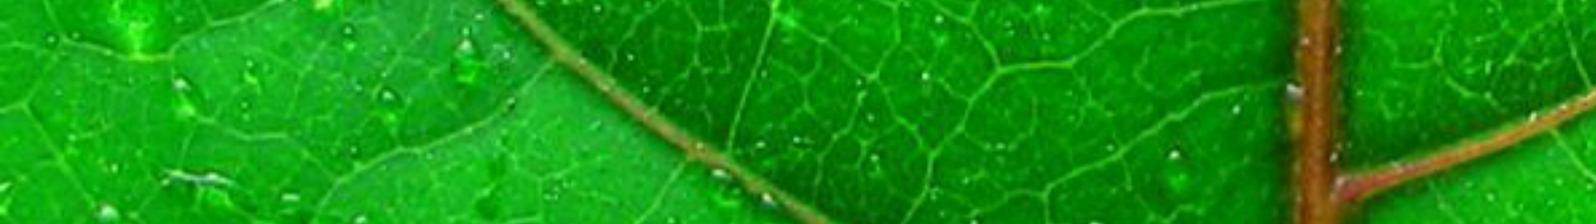

Enrolment

For Erasmus students and international students, the registration form is usually sent when you register for the programme. If you have not received it, please download the registration form, complete it and send it to Annie Subervie subervie@univ-pau.fr.

For people from outside the university, you must download the registration form, complete it and send it to Annie Subervie subervie@univ-pau.fr. Please pay the full course fee before the first lesson.

If you arrive after the start of the academic year, you should send an e-mail to Annie Subervie subervie@univ-pau.fr, who will be responsible for welcoming you. She will send you a form to complete and a link to the DIALANG online test, which will enable you to assess your level of French. You will need to return the completed form with the results of the DIALANG test. You will be placed in a group according to your level if there is still room in the group. You will then be given your course days and times. Enrolments close 2 weeks after the start of the course.

Price per semester for students from outside Pau :

- * 220€ (400€ for 2 semesters) for 2 hours per week

- * 380€ (700€ for 2 semesters) for 4 hours per week

Tests de placement :

- * **Au semestre 1** (de septembre à décembre), **un test de placement est organisé en présentiel** à l'université de Pau avant la rentrée pendant le stage d'accueil et d'intégration destiné aux étudiants Erasmus et aux étudiants internationaux, au début du mois de septembre. Les personnes extérieures doivent également passer ce test de placement pour déterminer leur niveau. Vous serez placé ensuite dans un groupe correspondant à votre niveau.

- * **Au semestre 2** (de janvier à avril), les nouveaux inscrits passent le **test en ligne DIALANG** qui permettra d'évaluer le niveau en français en autonomie. Vous devrez renvoyer le formulaire d'inscription complété avec les résultats du test DIALANG à Annie Subervie.
