

# Who are we?

A service within the Université de Pau et des Pays de l'Adour (UPPA) offering language classes to an average of 500 students each year. Students can enrol for between 3 and 9 months. We offer shorter, intensive language courses as well as long term and in-depth language programmes to accompany students throughout their studies at UPPA. The I.E.F.E provides a multicultural environment for the study of French language, with students coming from a wide variety of nationalities.

The I.E.F.E. is a recognised University Institute (soon to be awarded the French as a Foreign Language Quality certification by the French government), situated within a pleasant campus in the small, yet lively city of Pau.
